## Professor Noggin's Card Games

The Professor Noggin's series of educational games encourages kids to learn interesting facts about their favorite subjects. Combines trivia, true or false, and multiple choice questions with easy and hard levels to keep kids interested and challenged. Games are available in Insects, Wildlife of North America, Birds of North America, Reptiles and Amphibians, and Freshwater Life of North America.

\$14.99

## Cobble Hill Puzzles

Each and every puzzle from Cobble Hill is crafted to museum quality standards, using the finest inks and varnishes. The puzzles feature linen textured paper and premium grade blue board, and use 100% recycled chipboard. The pieces are random shaped which means the puzzles are more interesting to assemble because no two pieces are alike. Not suitable for children under 36 months.

500 pieces o01647 - \$21.99

1000 pieces o00313 - \$24.99
